4. Consider a Recommendation on an Interlocal Agreement with Travis County for Wells Branch Pkwy from Heatherwilde Blvd to the Pflugerville City Limit & Heatherwilde Blvd from Wells Branch Pkwy to Howard Lane

David Taylor, Project Manager with Public Works, explained the parameters of the expansion of roadways Wells Branch Parkway and Heatherwilde Boulevard. He said Travis County will share its portion with three area developers and in this process the City of Austin required some upgrades for intersection improvements including median cuts, curb and gutter and bike lanes. Mr. Taylor explained this is part of the SH 130 connectivity plans and approved for 2000 bond funding. He said Travis County is ready to move forward with construction once the agreement is approved by City Council.

Motion by: Melissa Hawthorne
Seconded by: Patrick Goetz

Motion: To recommend approval of the interlocal agreement.

Ayes: Bucknall/Goetz/Harden/Hawthorne/Lanier/Lockler/MacKinnon/Tepper
Nays: None
Abstain: None
